**ORDER OF THE REGULATOR NO. 2018/T41**

**APPROVAL OF NEW RETAIL TARIFFS FOR SERVICES PROVIDED BY BLUESKY  
SAMOA LIMITED**

**WHEREAS:**

The Regulator advised Bluesky Samoa Limited (Bluesky) in a letter of 5<sup>th</sup> February 2018 in relations to Bluesky's non-compliance with the Regulator's Order No. 2017/T39, that Bluesky must file with the Office of the Regulator a complete and updated schedule of tariffs including the launch dates for applicable products (such launch dates must be within 12 months period from the date of the initial filing of the tariffs) for the Regulator's approval.

On 6<sup>th</sup> February 2018, Bluesky submitted its updated arrangement for implementation of its retail tariffs including the proposed launch and effective dates for plans.

As such, the Regulator has seen it fit to amend the Schedule of tariffs (inclusive of an effective date arrangement for the implementation of such tariffs) specified in the Order of the Regulator No. 2017/T39 by issuing Order of the Regulator No. 2018/T41.

Pursuant to the Telecommunications Act 2005 ("Act") Sections 8 (1) (b) and 8 (1) (r), the Regulator is empowered to regulate the telecommunications market and to issue orders, respectively in the course of implementing statutory duties under the Act.

**Order**

**The Regulator hereby Orders:**

1. All regulatory instructions included in Order of the Regulator No. 2017/T39 shall remain the same; save for the Schedule and the effective date arrangement for the implementation of such tariffs;
2. Bluesky to apply for the approval of new tariffs within 12 months from the date of Order of the Regulator No. 2018/T41 ("Order").

**Effect of the Order**

The Order shall expire on the earlier of:

1. The Regulator revoking this Order; or

The making of a new Order by the Regulator for services provided by Bluesky in a market in which it has been declared dominant.
