PRESS RELEASE

The Office of the Regulator ("OOTR") has completed its evaluation of the Bluwave Wireless Limited ("Bluwave") Project and confirms as follow:

1. OOTR is now satisfied that the necessary requirements are met for the performance of the said Project, particularly with regards to the commercial arm of the Project;
2. New spectrum has been approved and assigned to Bluwave for the performance of their Project;
3. As such the Project has been cleared to proceed as per discussions between the OOTR and Bluwave.

OOTR wishes Bluwave all the best with its venture.
