The Regulator or the Office of the Regulator approves the allocation of all new fixed landline numbers. The Telecom provider shall provide a brief description for the nature of service provided by the requested landline numbers, also to indicate the preferred category required for landline systems.

The first column is the first prefix of each number category. The Telecom provider is required to indicate the range required for fixed line system.

Note: The applicant shall manage the assigned landline numbers in accordance with the Telecom Act 2005 section 61 (6).
